Reviewer's report

Title: Role of rapid urease test and histopathology in the diagnosis of Helicobacter pylori infection in a developing country

Version: 3 Date: 4 October 2005

Reviewer: B J Marshall

Reviewer's report:

General
The authors changes are ok, however, in the reference's it refers to Professor Marshall as 'DJ Marshall' this is incorrect. Professor Marshall's initials are 'BJ' so this needs to be changed.  

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)
