Reviewer's report

Title: Gastrointestinal failure in intensive care: a retrospective clinical study in three different intensive care units in Germany and Estonia.

Version: 6 Date: 5 June 2006

Reviewer: Bekele Afessa

Reviewer's report:

General
I congratulate the authors for this excellent manuscript. I have no comments.

-----------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-----------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-----------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

-----------------------------------------------------------------------------

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable
