Reviewer's report

Title: Humoral immune response to MUC5AC in patients with colorectal polyps and colorectal carcinoma

Version: 3 Date: 6 November 2005

Reviewer: Samuel B Ho

Reviewer's report:

General
The authors have made the requested changes.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

The abstract and discussion sections need grammar and writing corrections. For example, in the abstract: "were also negatively effect on patient survival" needs correction.

What next?: Accept after minor essential revisions

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No
