Reviewer's report

Title: Evaluation of the Birmingham IBS Symptom Questionnaire.

Version: 2 Date: 2 June 2008

Reviewer: Pali Hungin

Reviewer's report:

I do not feel that the alterations/additions made deal with my essential difficulties with this paper. However, on re-reading it in its new format I am happy to suggest that it should be accepted.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
