Reviewer’s report

Title: The clinical overlap between functional dyspepsia and irritable bowel syndrome according to Rome III criteria

Version: 2 Date: 9 August 2008

Reviewer: Ami D. Sperber

Reviewer’s report:

I have no further comments to the authors other than that the paper needs further English language editing.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
