Reviewer’s report

Title: Development of an educational intervention for patients with Irritable Bowel Syndrome (IBS) - a pilot study.

Version: 2 Date: 15 December 2008

Reviewer: Anne Kennedy

Reviewer’s report:

I consider that the authors have adequately addressed the revisions I suggested although there are still grammatical and spelling errors which should be dealt with.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
