Reviewer's report

Title: Increasing prevalence and high incidence of celiac disease in elderly people: A population-based study

Version: 2 Date: 4 May 2009

Reviewer: Detlef Schuppan

Reviewer's report:

The authors partially responded to the issues that were raised in the first review. However, our main point of critique (lack of novelty) remains.

Level of interest: An article of limited interest

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
