Reviewer's report

Title: What are the risk factors of colonoscopic perforation?

Version: 2 Date: 24 June 2009

Reviewer: David Farley

Reviewer's report:

A few grammatical mistakes, but overall, fairly well written.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
