Title: Phlegmonous Colitis: Another Source of sepsis in cirrhotic patients?

Version: 3 Date: 19 September 2009

Reviewer: Giampaolo Bresci

Reviewer's report:

The paper of Thomas Halzer et al. is a good analysis of phlegmonous colitis in cirrhotic patients.

I think that its publication can be sure useful for your journal.

In conclusion the impact of the manuscript itself is good.

Yours sincerely,
Giampaolo Bresci
