Reviewer's report

**Title:** Polymorphisms in gene encoding TRPV1-receptor involved in pain perception are unrelated to chronic pancreatitis.

**Version:** 2  **Date:** 12 November 2009

**Reviewer:** Fred S Gorelick

**Reviewer's report:**

The authors have responded to my inquiries and modified their text. These preliminary findings should be of interest to both investigators and clinicians

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**

I declare that I have no competing interests'
