Reviewer's report

Title: Educational Games in Geriatric Medicine Education: A Systematic Review

Version: 1 Date: 10 February 2010

Reviewer: Hiosa Osada

Reviewer's report:

The authors should revise the manuscript based on the comments below.
1. In the first line of page 3: The '(3)' is an improper notation. Please revise it.
2. On page 4, in Search strategy, please clarify the criteria for setting the start year for the use of the electronic search databases.
