Reviewer's report

**Title:** A Frailty Instrument for primary care: findings from the Survey of Health, Ageing and Retirement in Europe (SHARE)

**Version:** 2 **Date:** 13 August 2010

**Reviewer:** Stephane Rochat

**Reviewer's report:**

The authors have addressed all the points raised in my previous review, in particular the missing mortality data. I don't have other comments and I am favorable to the publication of this very interesting paper.

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**

I declare that I have no competing interests
