Reviewer's report

**Title:** Body composition in older acute stroke patients after treatment with individualized, nutritional supplementation while in hospital

**Version:** 2  **Date:** 26 August 2010

**Reviewer:** Christina-Maria Kastorini

**Reviewer's report:**

1. Are there any variables presented that do not follow the normal distribution? If yes these results should not be presented as mean±SD, but as median (quartiles).

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**
