Reviewer's report

**Title:** Understanding, comprehensibility and acceptance of an evidence-based consumer information brochure on fall prevention in old age: a focus group study

**Version:** 3 **Date:** 24 February 2011

**Reviewer:** Bernadette Dierckx de Casterlé

**Reviewer's report:**

Except a few small issues (use of the respondents' experience with falling or with fall risks to describe the sample; taking into account the number of respondents when describing the results), the authors responded adequately on the reviewer's comments. So the paper can be published.

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.
