Reviewer's report

Title: Physical activity in Iranian older adults who experienced fall during the last 12 months

Version: 1 Date: 28 July 2014

Reviewer: Parvin Rahnama

Reviewer's report:

This was a straightforward manuscript on physical activity among older adults who had experience of fall. The paper reads well and could contribute to the existing literature.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.
