Reviewer’s report

Title: Emergency Department Visits and Hospitalizations by Tube-Fed Nursing Home Residents with Varying Degrees of Cognitive Impairment: A National Study

Version: 2 Date: 1 March 2014

Reviewer: Nanako Tamiya

Reviewer’s report:

The revision was almost well-done following my comments except the statistics point.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
