Reviewer's report

Title: Physicians' attitudes about artificial feeding in older patients with severe cognitive impairment in Japan: A qualitative study.

Version: 2 Date: 25 June 2007

Reviewer: Antony Bryant

Reviewer's report:

General

-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)
