Reviewer’s report

Title: Clinical and Laboratory Findings Associated with Severe Scrub Typhus

Version: 3 Date: 8 February 2010

Reviewer: Ramakrishnan Ramachandran

Reviewer’s report:

Authors have taken care of all the comments. They have admitted that they did not consider the sample size for this study, which was responsible for wide CIs.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
