Reviewer’s report

Title: The Prevalence of Norovirus in returning international Travelers with Diarrhea

Version: 2 Date: 5 April 2010

Reviewer: Quan Shen

Reviewer’s report:

This is a revised version of a manuscript the original version of which has been seen and commented upon by this reviewer. Authors have considered the comments of both reviewers very carefully and accepted most suggestions. Accordingly, the manuscript has much improved.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
