Reviewer's report

Title: Inappropriate antifungal therapy for candidemia in the ICU and hospital resource utilization: a retrospective cohort study

Version: 1 Date: 31 March 2010

Reviewer: Dinopoulos George

Reviewer's report:

Minor Revision
- the authors could add a small comment on the usual daily practice of the ICU staff regarding prophylaxis, preemptive or empirical antifungal treatment?

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
