Reviewer's report

Title: The experience of college students with pulmonary tuberculosis in Shaanxi, China: a qualitative study

Version: 10 Date: 1 June 2010

Reviewer: Rachel Tolhurst

Reviewer's report:

All my comments have now been addressed, with the exception that minor English editing still needs to be done, I'm afraid. Perhaps this can be done in conjunction with the journal?

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
