Re: Revised manuscript BMC ID 2010 # 1985328639296258 entitled "MYCOPLASMA HOMINIS NECROTIZING PLEUROPNEUMONIA IN A PREVIOUSLY HEALTHY ADOLESCENT." by Pascual A. et al.

Dear Dr Robin Cassady-Cain,

We would like to thank you for the careful and constructive review of our manuscript. The Reviewers’ comments have been carefully addressed and point-by-point responses are provided in the original sequential order. The manuscript revised along the lines suggested by the Reviewers (all the modifications are highlighted) is enclosed.

We hope that the issues raised by the Reviewers have all been appropriately addressed and would like to thank you for considering our manuscript for publication in BMC Infectious Diseases.

Sincerely,

Andres Pascual, MD
