Reviewer's report

Title: MYCOPLASMA HOMINIS NECROTIZING PLEUROPNEUMONIA IN AN PREVIOUSLY HEALTHY ADOLESCENT

Version: 3 Date: 3 September 2010

Reviewer: Ran Nir-Paz

Reviewer’s report:

Minor essential revisions:
1. Reference 18 has many typo errors in it please correct.
2. No consistency on references quotations in the text – sometime after the period (e.g. line 39) and some times before it (line 42)— please double check and comply with journal policy.
3. There are some word use English errors throughout the text. The manuscript should be carefully edited throughout.
4. Amoxycilline/clavulanate - 1. Name should be corrected to amoxicillin. 2. Please check dose – is it really 2.2 gr three times per day? 3. Please make all occurrences use the same name (and not like line74).
5. Make sure that vancomycin dose is correct.
6. Please use same terminology for drug dosing throughout the text choose between the tid to q8h
7. Line 82 – number of copies – please check the number – in Ref 8 it is suggested that the correct number is 98,500,000.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
