Reviewer's report

Title: Ampicillin / Sulbactam versus Cefuroxime as Antimicrobial Prophylaxis for Cesarean Delivery: a Randomized Study

Version: 2 Date: 17 August 2010

Reviewer: pierluigi viale

Reviewer's report:

I recommend to insert in the Discussion a brief consideration about usefulness of this alternative schedule in terms of antibiotic stewardship.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I have no competing interests regarding the topics of the paper.
