Reviewer's report

Title: Immunity status of adults and children against poliomyelitis virus type 1 strains CHAT and Sabin (LSc-2ab) in Germany

Version: 3 Date: 14 September 2010

Reviewer: Bonnet marie Claude

Reviewer's report:

This revised version is clearer and is, from my point of view, acceptable for publication (few typo errors to be checked).

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:

I am an employee of a pharmaceutical company producing polio vaccines (both OPV and IPV)
