Reviewer's report

**Title:** Corynebacterium mucifaciens in an immunocompetent patient with excavated pneumonia

**Version:** 2  **Date:** 12 October 2010

**Reviewer:** Werner C. Albrich

**Reviewer's report:**

Questions and concerns are addressed and revisions adequately performed.

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Needs some language corrections before being published

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**

My conflict of interest has not changed since most recent review activity.
