Reviewer’s report

Title: Patient acceptance of universal screening for hepatitis C virus infection

Version: 2 Date: 12 March 2011

Reviewer: Juergen Rockstroh

Reviewer’s report:

The revised manuscript has addressed all questions and limitations raised as far as without inclusion of more patients was possible.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
