Reviewer's report

Title: Motivational brief intervention for the prevention of sexually transmitted infections in travelers: a randomized controlled trial

Version: 2 Date: 24 May 2011

Reviewer: nathan ryder

Reviewer's report:

The authors have addressed all of the issues raised in the initial review. I think the article is suitable for publication.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
