Reviewer's report

**Title:** Epidemiology and Cost of Herpes Zoster and Postherpetic Neuralgia Among Patients Treated in Primary Care Centres in the Valencian Community of Spain.

**Version:** 2  **Date:** 2 September 2011

**Reviewer:** Lluis Salleras

**Reviewer's report:**

I have revised the final version of the manuscript "Epidemiology and costs of herpes zoster and postherpetic neuralgia Among patients treated in Primary Care Centers in the Valencian Community of Spain " by Cebrian-Cuenca et al.

The authors have accepted the considerations and suggestions of the reviewer and corrected the text of the manuscript.

The final version is acceptable and ready to be published in BMC Infectious Diseases
