Reviewer’s report

Title: Short hairpin RNA targeting 2B gene of coxsackievirus B3 exhibits potential antiviral effects both in vitro and in vivo

Version: 3 Date: 2 June 2012

Reviewer: Decheng Yang

Reviewer’s report:

The authors have made changes according to my suggestions. The authors have also improved the manuscript by performing additional experiments according to the reviewers’ suggestions. I think the manuscript can be considered for acceptance for publication in the journal.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests
