Reviewer's report

Title: Short hairpin RNA targeting 2B gene of coxsackievirus B3 exhibits potential antiviral effects both in vitro and in vivo

Version: 8 Date: 20 July 2012

Reviewer: Andreas Henke

Reviewer's report:

Finally, the manuscript has improved and therefore I don't have any further comments.
I can suggest the data for publication.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I don't have any competing interests.
