Reviewer's report

Title: Variation in dengue virus plaque reduction neutralization testing: systematic review and pooled analysis

Version: 1 Date: 2 June 2012

Reviewer: Marli Tenorio

Reviewer's report:

There is change to be made in the manuscript; it should be accepted for publication without revision. Congratulations for your excellent article addressing the problems we found in PRNT to flavivirus in general.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
