Reviewer's report

**Title:** Emergence of dengue virus 4 genotype II in Guangzhou, China, 2010: Survey and molecular epidemiology of one community outbreak

**Version:** 1  **Date:** 18 January 2012

**Reviewer:** Kee Tai GOH

**Reviewer's report:**

I will serve as the second reviewer. I have no further comments to add to what the first reviewer has pointed out.

Please advise the authors to revise the manuscript. The revised version should then be sent to the first reviewer for further inputs, if any.
