Title: Determinants of Performance of Supplemental Immunization Activities for Polio Eradication in Uttar Pradesh, India: Social Mobilization Activities of the Social Mobilization Network (SM Net) and Core Group Polio Project (CGPP)

Version: 1 Date: 6 July 2012

Reviewer: Rajib Dasgupta

Reviewer's report:

This paper is an analysis of the social mobilization activities in WPV endemic areas of Uttar Pradesh and Bihar, India. The methodological approach and statistical analyses are appropriate and provide sufficient evidence to the effectiveness of the strategies detailed in the descriptive part of the paper. This contributes significantly to the literature on the eradication program.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.
