Reviewer's report

Title: Inactivation of an enterovirus by airborne disinfectants

Version: 2 Date: 15 March 2013

Reviewer: Jochen Steinmann

Reviewer's report:

After the changes the manuscript can be accepted. The authors followed the comments in the reviewer's report. Using the columns to reduce cytotoxicity there are still some discrepancies between reviewer and authors.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
