Reviewer's report

Title: Clostridium difficile exposure as an insidious source of infection in healthcare settings: An epidemiological model

Version: 2 Date: 29 July 2013

Reviewer: Jan Lindstrom

Reviewer's report:

I was pleased to see that the authors have addressed all the issues I had and have, by so doing, clarified the manuscript.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests
