Reviewer’s report

Title: A retrospective analysis of the costs and management of genital warts in Italy

Version: 2 Date: 22 September 2013

Reviewer: Paolo Bonanni

Reviewer’s report:

The new version of the manuscript is now acceptable for publication. I just suggest a re-reading of the paper, since some typing mistakes are still present (for instance, in the last sentence of the abstract the word 'how' should be changed with 'show').

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
