Reviewer’s report

Title: Penicillin resistance and serotype distribution of Streptococcus pneumoniae in Ghanaian children less than six years

Version: 3 Date: 20 September 2013

Reviewer: Susan Morpeth

Reviewer’s report:

Thanks for the opportunity to review the revised manuscript.

I think that the authors have addressed most of the major revisions. There is a typo in the spelling of "coastal" in the 3rd sentence of the first paragraph of the methods.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
