Reviewer's report

Title: National Trends in Hospitalization and Mortality Rates for Patients with HIV, HCV, or HIV/HCV from 1996-2010, a Cross-sectional Study

Version: 3 Date: 26 May 2014

Reviewer: Oche Agbaji

Reviewer's report:

Minor Essential Revisions
1. The title of the manuscript is non-specific; The authors have not stated where this study was carried out. It will make for better clarity to state the country where this study was carried out.

2. The authors should replace the comma with a colon (:) before "a cross sectional study" in the title.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
