Reviewer's report

Title: A national survey of the prevalence of schistosomiasis and soil transmitted helminths in Malawi

Version: 3 Date: 23 September 2004

Reviewer: Dirk Engels

Reviewer's report:

General

Most of my previous comments and remarks have been taken into account in this revised version. I am of the opinion the paper can be published in its present form.

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No
