Reviewer's report

**Title:** Echinococcal disease in Alberta, Canada: more than a calcified opacity

**Version:** 2  **Date:** 11 May 2005

**Reviewer:** Calum Macpherson

**Reviewer's report:**

General
The revisions made to the manuscript are acceptable to me and add value to the information provided.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)
