Reviewer's report

Title: Disease burden and related medical costs of rotavirus infections in Taiwan

Version: 9 Date: 20 October 2006

Reviewer: Ken Stein

Reviewer's report:

General
I am happy that the authors have addressed the substance of my comments satisfactorily.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Minor language corrections are still required.

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept after minor essential revisions

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No
