Reviewer's report

Title: Sexually transmitted infections in Saudi Arabia

Version: 2 Date: 8 November 2005

Reviewer: Peter Gray

Reviewer's report:

General
The author has satisfactorily responded to the inquiries previously raised. Only a few minor points are provided below.

---------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)
None requested.

---------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)
The last paragraph of the Discussion seems out of place. It might be appropriately moved to the second paragraph of page 11 (so following the paragraph that concludes "Generally, the incidence of STIs..."). If moving this paragraph to this different place, please provide transitions between the preceding and subsequent paragraphs.

---------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)
None requested.

---------------------------------------------------------------------

What next?: Accept after minor essential revisions

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No
