Reviewer's report

**Title:** Paediatric Investigators Collaborative Network on Infections in Canada (PICNIC) Study of Aseptic Meningitis

**Version:** 2  **Date:** 20 March 2006

**Reviewer:** Martha Lepow

**Reviewer's report:**

**General**

I have read the Authors' responses and reviewed the revised manuscript and believe that it should be accepted for publication.

---------------------------------------------------------------------------------

**Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)**

---------------------------------------------------------------------------------

**Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)**

---------------------------------------------------------------------------------

**Discretionary Revisions (which the author can choose to ignore)**

---------------------------------------------------------------------------------

**Declaration of competing interests:**

I declare that I have no competing interests
