Reviewer's report

Title: Primary muscular cystic hydatidosis: case report

Version: 2 Date: 1 February 2007

Reviewer: FABRIZIO BRUSCHI

Reviewer's report:

General
I think that now the paper is suitable for publication. The Authors have answered to all the criticisms.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)
