Reviewer's report

Title: Does vancomycin prescribing intervention affect vancomycin-resistant enterococcus infection and colonization in hospitals? A systematic review

Version: 2 Date: 5 February 2007
Reviewer: Ebbing Lautenbach

Reviewer's report:

The authors have done an excellent job of responding to my comments. I have no additional critiques or suggestions.

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
