Reviewer’s report

Title: Antifungal Prophylaxis in Chemotherapy-Associated Neutropenia: a Retrospective, Observational Study

Version: 2 Date: 15 March 2007

Reviewer: matteo bassetti

Reviewer’s report:

The authors gave only few responses to my observations and I disagree with their point of view. In this form the paper is not acceptable for the pubblication. A pharmacist journal is more appropriate

What next?: Reject because scientifically unsound

Level of interest: An article of insufficient interest to warrant publication in a scientific/medical journal

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
