Reviewer’s report

Title: Meningococcal, influenza virus, and hepatitis B virus vaccination coverage level among health care workers in Hajj

Version: 2 Date: 21 June 2007

Reviewer: Rodrigo R Jimenez Garcia

Reviewer’s report:

General
Dear editor I consider the authors have followed all my suggestions and the manuscript is now adequate for publication without revision

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
