Comments:

I have only a few minor points, which are related to my previous ones:

1) Please check again spelling of Biomphalaria.

2) There are several other typos throughout the manuscript.

3) Page 5, Results. Please replace “….heavy infections(>800 eggs/gm of stool)…” by “…heavy infections (>400 eggs/gm of stool)…”.

4) Page 7, lines 3-5, discussion. Please replace “In this study 15.7% of the children studied had heavy infections (>100 egg/gm of stool)…. by “In this study 15.7% of the children studied had moderate to heavy infections (>100 eggs/gm of stool)...."
