Reviewer's report

Title: Estimates of the duration of the early and late stage of gambiense sleeping sickness

Version: 1  Date: 19 October 2007

Reviewer: Marc Artzrouni

Reviewer's report:

General

-----------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)
NONE

-----------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)
NONE

-----------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)
NONE

-----------------------------------------------------------------------------------------------

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
